

AURAS from the DREAM Curtain line, is a panel made of overlapping, translucent fabric strips, lightly fastened to a transparent lining. With its striking yet clutter-free style, Auras roman blinds highlight the elegance of urban, contemporary settings. They are perfect for all kinds of windows, even roof-windows.

Auras offers a selection from the 2 textures - Classic or Luminare, the 24 colors and their unlimited combinations. The roman blinds come in **heights** of 100-270cm<sup>1)</sup>. **Height** refers to the total height from the top of the curtain to the tip of the strips. The **maximum width**<sup>1)</sup> is 150cm.

Suitable for all kinds of roman blind systems, Auras is easy to install. The roman blind comes with a C-head- a concealed, fully openable rod-pocket or a V-Head - a concealed Velcro attachment, support bar pockets with bars and rings. Machine washable at 30°, Auras normally does not require ironing. The standard delivery time for an Auras is 12-18 business days. Each DREAM Auras is a custom-made product, certified for quality.
