## The DREAM AURAS Panel with two attractive sides

**AURAS DUET Vorderseite**

**AURAS DUET Rückseite**

DUET is an AURAS sliding panel with LINEA as backing. In the backing of the previous AURAS is a black net, when used as a room divider the backside is a backside. With AURAS DUET we now offer a nice alternative.

AURAS DUET has a vibrant and a peaceful side. The liveliness of dimensional AURAS panels and the functional peace of LINEA form a harmonious creative togetherness. When used as a room divider DUET offers the possibility of designing various space atmospheres.

DREAM AURAS DUET panels are manufactured as standard in all Kaleido-colors.

DUET are available in standard 100cm - 250cm height with panel widths of 60 and 70cm.

In MULTISTYLE, also produced in customers specifications, in the texture Luminare and in ROYAL-colors.

The AURAS sliding panel and the LINEA are connected at the top and have a Velcro-head for the sliding technic, and at the hem a rod pocket for a weight bar.

AURAS DUET is washable at 30 ° according to the instructions in the washing machine The standard delivery time for an Auras is 12-18 business

days ex work. Each DREAM Auras is a custom-made product, certified for quality.

Multistyle caters to special size and design preferences.
